WORK EXPERIENCE

Rammart Medical Guayaquil, Ecuador
Administrative Manager Jun 2019 - Nov 2021

- ▪ Implemented a modification in the customer service system that
  Increased the company's service sales by 50% in less than a year.
- ▪ I used Microsoft Office tools to improve the system
  administrative and accounting, which reduced the administrative expenses of the
  $3,000 to $1,900
- ▪ Through the implementation of flexible sales policies, I managed to improve
  marketing and distribution processes by 60%.

Esdecab Guayaquil, Ecuador
Technical Manager Mar 2009 - Jan 2016

Created a dynamic and proactive learning system for
Service updates. Which increased the employee retention rate by a
30%.

Signs Films Guayaquil, Ecuador
Director, producer, actor Apr 2016 - May 2019

- • I directed more than 20 actors and actresses, for the creation of 50 videos on a digital television channel.
  It reached more than 1 million views in 3 months.
- • I produced a winning short film at the Guayaquil International Film Festival
- • I created a movie based on the life of a serial killer, from script to realization. And I established a
  distribution system in South America for the advertising of the film.
